

DUAL CREDIT

KICK-STARTING YOUR COLLEGE CAREER

Affordable

At \$67 per credit hour, you can earn college credit for a lot less than traditional colleges

Transferrable

After successfully completing a course, you get a transcript from York College

100% Online

All courses are fully online with faculty, support, and all resources included

Earn Transferable College Credit While Completing Your High School Requirements

The TEL online curriculum is an **affordable** solution for **concurrent** and **dual-enrollment** courses. TEL's courses are customized to meet the needs of a high school student. Each course includes video, text, assignments, assessments, and more, creating an **engaging user experience** fully incorporated into a single online or blended experience. You not only receive support from your school, but you also have access to an instructor and a support team at TEL to answer questions about the material or the platform.
